

THE YANNIS BEHRAKIS PHOTOJOURNALISM GRANTS

Are you passionate about photojournalism?

Reuters is seeking to develop the next generation of photojournalists to produce original, visual stories from around the world.

We are offering ten grants of \$8,000 USD for photojournalists and students to produce a photo project and develop their visual storytelling skills.

Successful stories will be distributed globally – reaching billions of people – on Reuters platforms, and Reuters Pictures editors will mentor recipients throughout their projects.

Grantees will additionally receive Reuters instruction, including reporting and hostile environment training.

THE YANNIS BEHRAKIS PHOTOJOURNALISM GRANTS
